PENNSY PARADES PINK MIXERS TO SUPPORT CANCER COALITION

A mid-October parade in Harrisburg, Pa., saw Pennsy Supply employees manning four pink mixer trucks in support of breast cancer awareness and funding. About 90 minutes after departing from City Island, the ceremonial procession ended at the Harrisburg Hilton, where a check was presented to the PA Breast Cancer Coalition (PBCC). The parade was

staged as part of Pennsy's "Paving PA Pink" initiative to benefit PBCC, launched with an early September kick-off at the local Commerce Bank Park. Information on the campaign, including stories from Pennsy employees, as well as detailed instructions on how to make a donation can be found at www.pavingPApink.com.

Pennsy Supply General Manager Barry Duffy (left) and Director of Customer Support Brian Groff present a check to PBCC President and Founder Pat Halpin-Murphy.

Four mixers anchor Pennsy Supply's "Paving PA Pink" campaign in support of breast cancer awareness and funding.
